

**COARSEGOLD ELEMENTARY  
KINDERGARTEN PARENTS  
2008/2009 SCHOOL YEAR**

**Welcome to the Yosemite Unified School District. I hope this letter will answer any questions that you may have regarding the cafeteria. If after reading this, you still have questions please feel free to call me at 683-2182.**

**Each month your child will receive a menu. You can go over it and decide which days your child may want to eat lunch at school. It is much easier and the lunch line goes faster if you send a check each month made out to yusd. The computer keeps track of each child's account, the day they eat, whether they have eaten lunch or breakfast, credits (date & check number) and all transactions. Your child will get a slip when they run out of money. After they have charged \$7.50 (three lunch charges) someone from our department will call you. Please call us if you have special circumstances, as we are always happy to help.**

**We are committed to serving delicious and nutritious meals that children like and therefore will eat. We have strict dietary and sanitation guidelines that we must follow. Classroom parties and birthday celebrations must follow the guidelines set forth by the environmental health department and adopted by our school board. While they may seem extreme they are only enforced for the protection of your child. If your child has any food allergies, we have a form to be filled out by your health provider, after which, we will be happy to accommodate the needs of your child.**

**Please review the lunch application, it will be sent to you in August to see if you qualify. The information is confidential, and other children and staff do not know who is on the program. We take the privacy of our families very seriously. Breakfast may be purchased for \$1.25 and lunch is \$2.50. Milk is \$.30 and orange juice is \$.50**

**Sincerely,  
Irene E. Keener  
Director of Food Services**
